

**SOUTHEASTERN COLORADO WATER CONSERVANCY DISTRICT
MUNICIPAL/DOMESTIC APPLICATION 2024 FRYINGPAN-ARKANSAS PROJECT WATER**

TO: Southeastern Colorado Water Conservancy District Board of Directors, acting by and through its Water Activity Enterprise (“District”):

We/I, the _____ (entity), hereby request _____ acre-feet of Project Water in the May allocation. We/I understand the Board of Directors of the District will allocate available waters equitably in its discretion, based upon the merits of each application, and water will be delivered in accordance with, and we accept the terms and conditions of the District’s Water Allocation Policy and of the District’s notice dated March 12, 2024, which accompanied this application. We understand and accept that we will pay the District \$21.90 per acre-foot for fully consumed Project Water. Any portion of the allocated Project Water returned to the District for Project Water Return Flow allocation will be given a credit at the time of allocation or any adjustment the Board of Directors adopts. An allocation and delivery of water by the District does not create any right, title, entitlement, or other interest in Project Water beyond the right to delivery of current Project Water sold by the District.

We expect to use _____% of our allocated Project Water for well augmentation. Project Water used for municipal well augmentation will be charged \$21.90 and is considered to be totally consumed and generates no Return Flows.

As a municipal entity, do you wish to exercise your “First Right of Refusal” for the Return Flows generated by your use of Fryingpan-Arkansas Project water delivered from May 1, 2024, through April 30, 2025? (If yes, the entity will maintain and reuse their return flow generated to extinction within their own service area. Entities that well augment must select yes) YES _____ NO _____

In support of our request, and to comply with the need for information by the District to meet the terms and conditions of its Contract with the United States, and the Operating Principles, we submit the following information:
