

Southeastern Colorado Water Conservancy District Board of Directors Meeting

Water Court Resume Information Report

Date: June 16, 2022

Agenda Item: VII.A.

STAFF RECOMMENDATIONS:

Information

BUDGET IMPLICATIONS:

New Statements of Opposition are anticipated in the 2022 budget for Special Water Counsel. The District has also budgeted for consulting engineering support for Statements of Opposition.

PREVIOUS BOARD ACTION AND/OR ACTIVITY:

The Board has reviewed the criteria for filing Statements of Opposition in cases filed in Water Division 2 and 5. Based on these criteria, District staff reviews the monthly resumes in Water Division 2 and 5 and makes recommendations for Board action.

ISSUE SUMMARY DESCRIPTION:

April 2022 Resumes

Water Division 2: There was one case of interest to the District in Water Division 2.

2022CW3023: Colorado Springs Utilities submitted an application for finding reasonable diligence and make in part absolute of their 05CW96 exchange decree. District staff and Water Counsel do not intend to Submit a Statement of Opposition.

Water Division 5: There were no cases of interest in the Division 5 Water Court Resume for April 2022.

May 2022 Resumes

Water Division 2: The Water Division 2 May Resume have not been received.

Water Division 5: There were no cases of interest in the Division 5 Water Court Resume for May 2022.
